COURSE DESCRIPTIONS

COHORT G: UNDECIDED MAJORS

COLLEGE COMPOSITION:

Students will learn the processes, skills, and strategies needed to become rhetorically informed academic writers. The course provides the foundation on which students will build their writing and rhetorical abilities throughout one's academic career and beyond.

INTRO TO SUSTAINABILITY SCI:

Students will discuss the study of social life, society, and the individual within a global and multicultural context. They will also be able to connect and discuss with their peers, developing essential communications skills.

FIRST YEAR SEMINAR:

Students will develop critical reading and thinking skills as well as build community through the class experience. Each section has a particular theme that all of the covered topics and coursework will resemble.
